PREFACE.

No Auction Sales will be held by me during the months of July and August; this Catalogue is therefore the last one of my series of sales for the present season.

In this issue will be found some fine and rare Foreign Copper Coins, Medical Medals, a Syracuse Medallion or Decadrachm, and other desirable Ancient Coins; selections from a large private collection of rare early issues of the U. S. Mint, such as 1794 Dollar, 1797 half Dollar, 1797 quarter Dollar, in brilliant uncirculated condition; rare Dimes, Cents, etc.; Mediæval Coins of historical interest; rare Crowns in the finest preservation; a quintuple Crown; a rare Indian Chief Medal of George III; a ten Ducat piece of Hamburg, and other desirable Gold Coins, etc., etc.; in short, many issues of special interest and value, both to the general and special Collector.

Unless otherwise stated, every Coin described in this Catalogue is guaranteed authentic and original. In the statements of condition, the Cataloguer has rigidly adhered to the high standard adopted by him, and has exercised the most scrupulous care in the entire work.

Unless special arrangements are made, all bills are payable on delivery of purchases; deposits will be required from all unknown buyers. Except when the words "Set" or "Lot" are used, all Coins, Medals, and Notes are sold at so much per piece; bids must be made accordingly.

Bids for this sale carefully executed by the Cataloguer and Coin Dealers in general. Priced Catalogues, after sale, 30 Cents.
